Who to McCreery?

We are not surprised that the the etter should not kn w 'who is McCreers," but we shall be very much astonished it any Rad. The object to protect our in the course of the contribution o collection at the end of sla convenience of the con eral, a Colonel, a Major, nor a Captain, and an far as we know, he was never in the way of builts from with roide. He has never aspired ro a political or any other office in his life undidate for Sensitor at the narmest and pressure.

Conceants Healt.—The domail of the homeoff the party, egainst majorities which it was not expected be could necrouse. The not expected be could necrouse. The didata for Senator at the tarnest and pressing ultural pursuita, amid which, free from percountambition, and rem ved from the tur-most of politics, be has cuttivated those virtues ife has lived the life which those old incorruptible patriots who nehieved our independen - and framed this government lived, and he now comes fre h from the pouple untrammeled by the slime and corruptions of political coull its. Of his ability to fill the existed post ion to white has been elected we leave him to speak for hittisell, Marshailant night. round at that he will be while to win the admeration and respect of both friend and for, and prove himself the peer of the proudent

of his associality.

(F) In our notice yesterday of the recommended to our report of the new poince bill by the benate, we said that it was "amended to our report of the power on our time. It is not to make the committee on the committee of the to the fact that come persons purcht get an error one imperson from the language employs eld by us, and signate be thus done the advantage of the original bill. The original bill are original bill. cates of the original bill. The original bill provided for the election of the commission ers by the people after the first, but by way of getting the new system inaugurated, pro-

Bradley for D legate to the National Couvention. The latter gentleman is one of the truest of Kentucky's sons, and is a splendid specimen of the old Kentucky gentleman. How. A K Bradley, as an Elector, would be
